A list of the evils of judaism "evils of the j3ws" (non exhaustive draft) - feel free to complete

The jews caused all 3 of the world wars. (jewish bankers' plotting and financing on both sides of the conflicts)
The jews have put forth the idea of the creation of money out of thin air (Rotschild's) and established america's Federal reserve bank (1913)
The jews killed our Lord Jesus Christ and their own prophets (1Thessalonians 2:14-15)
The jews wrote the babylonian Talmud (that they might keep their own tradition instead of the word of God - Mark 7:9)
The jews authored the Protocols of Zion (Their plan for world domination, adopted from Adam Weishaupt, the Illuminati's founder)
The jews practice Kabbalah, a mix of Judaism with witchcraft and paganism (mysticism) - (occult rituals and sacrifices (Bohemian Grove, etc) – Jeremiah 32:35.

As If it wasn't enough, they caused the Golf of Tonkin Incident, they bombed the World trade center (the bomb van on George Washington bridge),
and they run everything politic, monetary, and entertainment (even pr0n). Behind every evil in the world, there is a jew!

Now, through the CFR and WEF, they plan the coming Great Reset (the end of physical currency (cash)), the creation of a North American Union, and the establishment of a New World Order (most likely after Albert Pike's planned Third World War between Israel and the Islamic world) along massive depopulation (Revelation 6:8 - the fourth part of the earth).

Now, that is a good resumé for the devil's bidding.
